

# Millennia<sup>®</sup> The best pizza cutter on the market. PIZZA CUTTERS

Only a knife company would make a blade from the same high-performance, Japanese steel found in our Millennia™ knives. The wheels are ground to a razor sharp edge that cuts through pizza and flatbread like nothing else. The ergonomic handle is molded from a combination of Santoprene® and polypropylene that provides slip-resistance and comfort.

- 1 Stain-free, high carbon steel blade
- 2 Precision ground razor sharp edge
- 3 Ergonomic handle with slip resistant Santoprene® and durable polypropylene
- 4 Ultra smooth mechanism for faster and easier cutting
- 5 Replaceable blade
- 6 Textured finger points and finger guard
